Town Beautification	1,269
Cemetery - Flower Planning, Watering & Weeding	1,160
Campground Upgrades	1,006

*** **Note:** Total dollar amounts listed are GROSS TOTAL VALUES based on 156 survey participants***

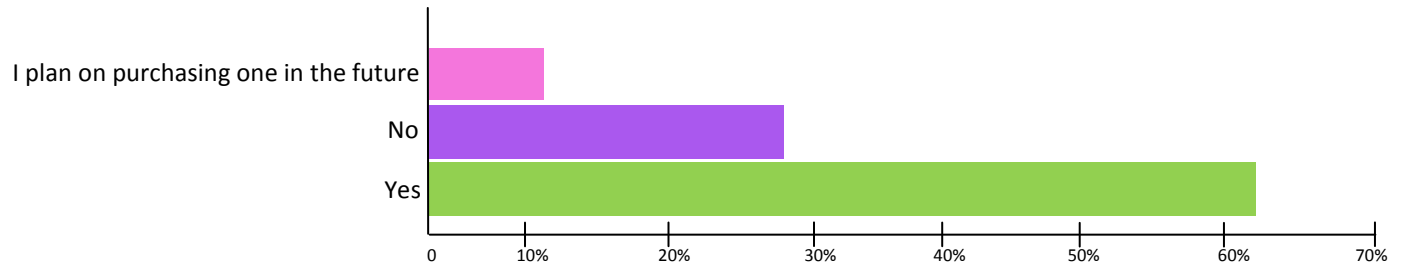

Question 9: Do you practice Water Conservation in your Home

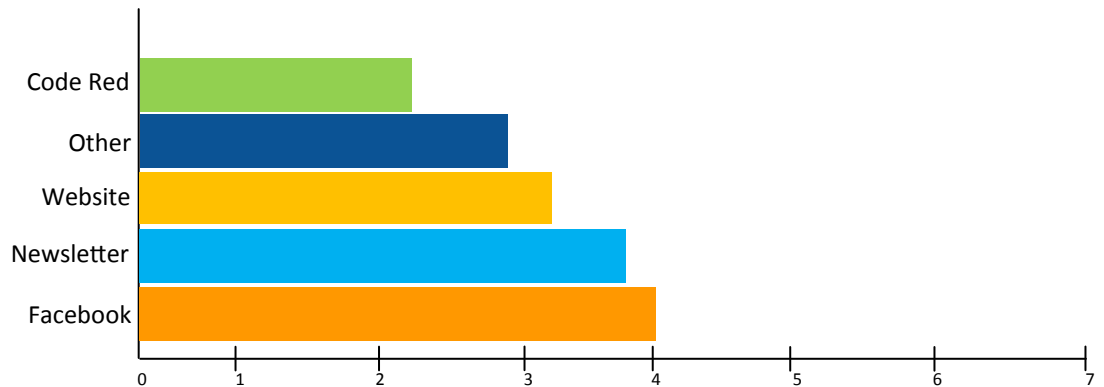

Ideas & Suggestions for Water Conservation submitted:

- Don't flush every time, low use shower head, water garden from rain barrels, don't water grass
- Turn off the shower while shampooing and soaping. In washing dishes, turn tap off when soaping. During summer, I do the laundry and use the used water to water the plants or flush the toilet.
- Use glass when brushing teeth, check for leaks.
- Running dishwasher 1x per day; laundry only when full loads; quick showers, no baths
- I do not run the tap when brushing teeth. I do NOT wash my car in the driveway. I take quick showers. I have no grass to water, only a few trees. I check my toilet by using food dye to see if it's running. Taps don't drip. HOWEVER, if there is something wrong I call a plumber to get it fixed. That costs, but only in the short term.
- Install a water saving toilet.
- Use undrunk water for plants
- I put a heavy object in the tank of toilet so that less water will be used.
- Minimize use of water on cooking and washing utensils
- Shower with your partner
- Double check all faucets are closed tightly.
- Limit showers to every second, or third day.

Question 10: Do you currently have a low-flow toilet in all your washrooms

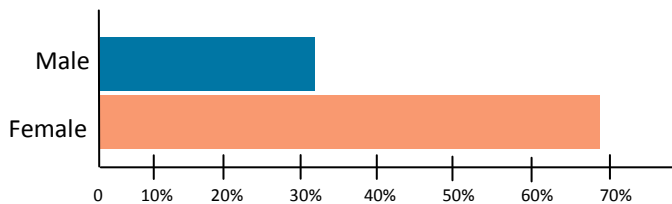

Question 11: COMMUNICATION AND INFORMATION - Please let us know where you prefer to get your information from the Town - such as recreational events, changes in service, education al info, updates, by-law information. (1 being Most Preferred; 5 being least preferred)

Other Methods Identified:

1. Emails
2. Newspaper
3. Word of Mouth
