

**POLICY**  
**RE: OFFAL DISPOSAL**

The landfill will be kept open for offal disposal on a temporary basis until a permanent solution is resolved. Therefore, starting the week of July 5, 2004, Neepawa Landfill will accept offal on Tuesdays and Fridays from 1:00pm to 2:00pm.

The disposal fee for offal is \$50.00 per load. Disposal of offal outside of these times will result in a disposal fee of \$100.00 per load.

A new lock will be installed on the landfill gate starting July 2, 2004. A town employee will be available to unlock the gate for the above mentioned time period.
