AUTHORITY	ADOPTED BY: Resolution 28258	Page <u> 1 </u> of <u> 1 </u> Effective Date:
	DATE: December 15, 2009	
TITLE: WINTER OPERATIONS - SIDEWALK SNOW CLEARING		DATE LAST REVIEWED BY MGMT or COUNCIL

Purpose

To allow safe passage for all pedestrian traffic, consistent with winter conditions.

Guidelines

All snow plowing on sidewalks shall be done according to a priority basis. The priority of sidewalks and level of service shall be for public sidewalks to schools, hospitals, personal care homes, cross walks and pedestrian corridors being first, sidewalks along major thoroughfares and collectors being next and then sidewalks along residential streets. Businesses and rental units on Mountain Ave, Hamilton St and Main St, are responsible to keep ice and snow clear of their fronting public sidewalks.

All plowing operations are to follow predetermined routes.

Windrows across private approaches and/or walks resulting from sidewalk snow clearing operations shall not be removed.

Sidewalk plowing shall occur after an accumulation of 10cm or more of snowfall.

Sidewalks shall be plowed to compacted snow surface.
