

TOWN OF NEEPAWA
POLICIES & PROCEDURES MANUAL
UTL #002

LAGOON DISPOSAL OF EFFUENT

Issue:

The Town of Neepawa has a lagoon system in which individuals within the Town of Neepawa without a septic system as well as individuals outside the boundaries of the Town of Neepawa utilize the lagoon system.

Objective:

The adequately provide a method by which to control and account for the effluent being disposed at the lagoon outside the present town septic system.

Policy:

No effluent is to be disposed of at the Town of Neepawa lagoon without receiving prior written permission from the Town of Neepawa.

The Septic Service shall be required to keep a log of the effluent collected and where it is collected from and submit a copy of such log to the Town of Neepawa monthly.
